Join us for the viewing of the Groundbreaking Social Action Documentary

HEALING VOICES

Healing Voices is a new feature-length documentary which explores the experiences commonly labeled as “psychosis” or “mental illness” through the real-life stories of individuals working to overcome extreme mental states, and integrate these experiences into their lives in meaningful ways.

Thursday, May 25th, 2017 • 6p.m. - 8:30 p.m.
MATC- Downtown Campus
700 W State St, Milwaukee- Room M605, 6th Floor
